What are we?

Fine Arts Club, commonly called FAC, is the embodiment of the delicate talent of arts and crafts and is one of the most prestigious clubs in the college. We thrive to enhance the arts culture in the campus and beyond it. Through our distinctive and enchanting activities each year, we emphasize on creating a vibrant and colorful atmosphere on the campus. We provide equal opportunities to every curious and interested student to colorize their point of view and to portray their skills.

What we do?

The fine arts club organizes various art events in the campus. We raise our helping hands in different cultural and technical events in the college. We help in decorations, making posters, etc. Club members will get to volunteer in these events,. From this year on we are going to organize a workshop to help students showcase their talent providing them a strong platform and later certifying their talents.
